Complaints Register - Mortdale

Record No.	Date ↓	Nature of Incident (Env)	Mechanism of Incident (Environmental)	Incident Activity/Impact (Environmental)	Department Site	Location	Incident Summary	How complaint was received	Action Taken
12171	1/09/2023 2:00 PM	Complaint			NSW : TS - Mortdale	B&D Recycling Mortdale	Site neighbor visit to premises to notify site management of dust.	Other (e.g.Social media)	Environment team currently investigating incident (complaint).
11271	26/05/2023 4:00 PM	Complaint			NSW : TS - Mortdale	B&D Recycling Mortdale	Complaint came through BINGO complaint email customer service line on 26/05/23 at approximately 4:00pm. Site neighbor from Amayama Pty Ltd (currently share the wall boundary with BINGO Mortdale RRC) raised the issue of dust coming onto their property, covering cars and building. They had previously spoken to BINGO and sprinklers were installed to address the dust issue however the neighbor from Amayama notes that this has not made a difference.	E-mail	Site manager was contacted and made aware of the complaint. Investigation into operational activities was conducted. Multiple water misters, sprinklers and water canon are in use; particularly when trucks are tipping and/or getting loaded. Street sweeper also utilized regularly. Environment team will also continue thorough investigation of event to determine corrective actions. Rear sprinkler has been added inside tipping shed. Reach of front sprinkler has also been extended.
6457	16/12/2021 3:15 PM	Complaint	Site maintenance - pollution and pretreatment controls	Air - dust ambient	NSW : TS - Mortdale	B&D Recycling Mortdale	Neighbour called to complain about dust and to request all sprinklers and misting sprays to be turned on	Phone call	Site Supervisor was immediately contacted and advised that systems were used intermittently. The wind had picked up suddenly and unexpectedly and he would be activating all available controls. The neighbour was provided with Environmental contact to call if or when there are any further concerns. Shanes contact number is 0404 013345
