C&I FREE BIN DELIVERY OFFER - Terms and Conditions

This offer is run by Bingo Commercial Pty Ltd ABN 89 163 883 421 (BINGO). If you request a quote and sign up to a Service Agreement during the offer period, these terms apply.

1. **Offer period.** 8 September 2026 to 8 December 2026. Quotes sent outside these dates don't qualify.
2. **How to enter.** Ask a BINGO sales rep for a C&I bin hire quote, then sign up to a Service Agreement.
3. **What you get.** Free delivery of your initial bin(s) when we set up your service. It'll show as $0.00 on your invoice.
4. **Quote validity.** Your quote is valid for 60 days from the day we send it. Sign up after that and standard delivery fees apply.
5. **Extra bins.** Free delivery covers the initial delivery only. Any extra bins — then or later — are charged at our standard delivery fee.
6. **What's not covered.** Everything else in your Service Agreement still applies: bin hire and service fees, collection and lift fees, exchanges and relocations, and any contamination, overloading, excess weight or futile service charges.
7. **Who's eligible.** New C&I customers only, one free initial delivery per site. It can't be combined with another offer or discount unless we agree in writing, and it depends on us servicing your area and on our usual credit and site checks.
8. **Your Service Agreement.** If anything here clashes with your Service Agreement, the Service Agreement wins — except for the delivery fee we've waived.
9. **Changes.** We can change or withdraw the offer at any time. That won't affect a quote we've already sent you while it's still valid.
10. **Governing law.** New South Wales law applies.
